SCDC TIRE RETREAD

Lieber Tire Retread manufactures high-quality tires for school districts and other South Carolina governmental agencies, including the South Carolina Department of Transportation (SCDOT), All tires are made with high-quality materials purchased through reputable distributors in the United States. The tires are built to be long-lasting and comply with the recommended International Tire Retread Association's (ITRA) strict safety standards.

Training is the key to our success of developing a safe product. Our worker/inmates go through a 1-year training process to include behind the desk and on the job training. After training is complete, they are awarded a certificate of completion.

We utilize state of the art equipment from some of the top recognized names in the industry to include; Matteuzzi, Cincinnati, Hawkinson, Sullivan and Quincy to name a few.
