## **About SCDC-PI**

SCDC Industries is completely self-supporting, and serves the Department of Corrections and the State of South Carolina by employing and training inmates. This training oriented work allows the inmates to return to society with skills that will enable them to become useful and productive citizens. In pursuit of this objective, the cost of incarceration is offset through inmate wages, and quality products and services are provided to qualified businesses and organizations at substantial savings. Three programs operate within SCDC Industries: Traditional, Service and Prison Industry Enhancement (PIE). Industries serves over 500 client organizations.

A large percentage of our inmate population enters Corrections lacking the education and work skills necessary to excel in today's society. SCDC Industries' programs provide meaningful skills to inmates, allowing them to become productive citizens after their release.

Industries is certified by the Justice Department to enter into contracts with private sector companies and to manufacture products for interstate shipment under the Prison Industries Enhancement (PIE) program. Inmates working in the PIE program receive prevailing wages for their labor. As with any job, federal and state taxes are deducted from their checks along with deductions for the inmates' room and board and the state Victim Compensation Fund. Additional deductions are made for family support and the remaining money is placed in a trust for the inmate to receive upon release.

Choosing to purchase goods and services from Industries is an investment in your state and community. By supporting Industries, you are promoting education, job skills training, good moral values and work ethic. You are also strengthening South Carolina, our state government and private businesses, to the benefit of all South Carolina citizens.

### **Who May Order Our Products and Services?**

All products and services are available to governmental entities, schools and non-profit organizations. The public may only purchase custom framing, plaques and signs.

Contact Industries for additional information by emailing [scdcpi.custserv@doc.sc.gov](mailto:scdcpi.custserv@doc.sc.gov) or by calling 803.896.8516 in the Columbia area or 1.800.922.8121. Periodically, check for new product lines and specials by visiting our webpage at <http://www.scdcindustries.sc.gov>.
